ABOUT US

Imperial Printing & Paper Box Manufacturing Company is an independently owned mid-sized company. We are large enough to be a low-cost supplier and yet small enough to provide unparalleled attention to detail. We work with you to design effective packaging that can protect your product and add real and perceived value at the same time – all at a competitive price.

We are capable of servicing your packaging needs from start to finish, including

-  [Printing](#) (1-6 colors)
-  [Coating](#) (UV, Aqueous, Blister, Varnish)
-  [Foil Stamping](#)
-  [Embossing/Debossing](#)
-  [Die Cutting](#)
-  [Windowing](#)
-  [Folding, Gluing & Packing](#)

Our vast experience can assist you in developing your packaging needs from conception to final product. We can make your ideas a reality, in ways you might not have imagined. Whether you require a small or a large job, we have the flexibility and capability to meet your requirements.

Call or email us today to speak with a product specialist who can discuss your needs. We pride ourselves on returning quotation requests promptly and finishing your job with quick turnaround time. Allow us to demonstrate our competitive pricing and excellent service on your next paper packaging needs.
