## ISO CERTIFICATION

After a rigorous certification process, we became ISO Certified in May 2003. This designation certifies that Imperial is committed to the highest level of customer satisfaction and to long-term continual improvement of its quality related processes.

## QUALITY POLICY

Imperial consistently strives to provide the highest quality printing and paper box manufacturing services in our industry. These services always meet or exceed our customers' requirements while remaining in full compliance with the ISO 9001:2000 quality management standard. Our highly trained and fully qualified personnel remain actively involved in our continual improvement program. Further, we pledge to maintain a safe and environmentally friendly workplace in recognition of our responsibilities to our employees, our customers and our community.
