Thinking outside the box about boxes...

- **CUSTOMER FOCUSED**
- **COMPETITIVE PRICES**
- **COMMITTED TO QUALITY & SERVICE**
- **QUICK TURNAROUND TIMES**

Imperial Printing & Paper Box Manufacturing Company is a manufacturer of custom-made folding cartons, both plain and printed. We take pride in our tradition and legacy of providing quality and service since 1970. Throughout these years we have built our reputation on meeting the needs of our customers and markets, both large and small.

As the company has grown, we have continually improved our operations, such as by constructing a new state-of-the-art manufacturing facility, by adding new machinery to provide better and faster service to our customers, and by becoming ISO certified to ensure we provide the highest quality printing and paper box manufacturing services in our industry.
